FAQ's about summer piano

- **Why should I register my child for summer piano?**
Besides the fact that summer piano lessons are **F-U-N**, summer lessons offer a relaxed environment for your child to learn/maintain/review/build piano skills. **Home studio families who register their child for six summer lessons receive priority when scheduling that child for fall lessons.** Once I've received both the balance for summer lessons and the fall registration fee, the piano family may reclaim their fall lesson day and time providing they wish to keep it. If they wish to switch lesson days and times, they'll receive priority should the lesson slot they prefer become available.
- **How do I register my child for summer piano lessons?**
Once I receive your summer piano payment (**\$180 per student for private lessons**), I will send you a link to an online calendar where you may sign your child up for lessons on the days you choose at the times you choose. Families that register early get first pick of available lesson days and times.
- **When do I pay for summer lessons?**
Piano families **PRE-PAY** for summer lessons. You may mail or drop off your **check for the total balance due for summer lessons** (make checks payable to **Karen Hunter**). When I receive your payment, I'll send you the link to the online calendar to choose your child's piano lesson days and times.
- **If we miss a scheduled summer lesson, can we reschedule the lesson?**
Since you are scheduling your own child's piano lesson days and times, I will assume that you are choosing days and times that work for your family—dates that avoid family vacations and summer camps. Therefore, **NO** make-up lessons will be available. However, your reserved lesson slots may be changed up to seven days prior to the lesson. At that time, the schedule will be locked in.
- **What is the procedure for lesson arrival and pick-up?**
Parents, please drop your children at the bottom of my driveway and have them walk to my front door. For the safety of all of my students, **please do NOT pull up my driveway to drop off, wait for or pick up your child.** Feel free to park on the street, but please leave adequate room in front of our mailbox so the mail carrier has easy access. Students may walk right in—there is no need to knock or ring the bell. Students should leave their shoes on the mat outside the front door and go directly into the piano room to await their lessons. When the lessons are over, students may wait in the piano room, in the entryway or outside for their rides.
- **What should parents/siblings do during piano lessons?**
Since my family's living room is not a lobby and is off-limits to my piano students/families, I find that it works best if piano students are dropped off for lessons and picked up again when their lessons are over. Siblings who are waiting for their lesson turns may wait in the piano room. Please send books or quiet electronics to help them pass the time. I strongly **discourage** parents and younger siblings from waiting in my entryway or in the piano room every week. (Space is tight—too many distractions.) I **encourage** parents and younger siblings to spend the lesson time at the park down Bergamot Way towards Airport Road or to use the time for running errands. For obvious reasons, **snacks and drinks are not allowed in the piano room.**
