

MY WEEKLY PRACTICE CALENDAR

The kids who learn piano the most thoroughly and advance the most quickly are the ones whose parents set **STRICT. DAILY. PRACTICE. GUIDELINES.** Make piano practice **routine.** Encourage your child to practice every day at the same time. And, this is **huge,** don't allow any "screen time" until piano has been practiced. Work through this practice calendar with your child. Then, piano parent, proceed to enforce these **STRICT. DAILY. PRACTICE. GUIDELINES.** Together we can make this the best year of piano lessons yet!

*Mrs. Hunter encourages all of her students to practice **at least 5 days per week.** The length of the practice will vary, depending on the student's level of ability and the time it takes to get "comfortable" with each song. Please have your child bring this completed form to his/her first piano lesson.

BRING THIS COMPLETED AND SIGNED CALENDAR TO YOUR FIRST PIANO LESSON!
